

Welcome to your harp lessons course!

Why learn to play the harp? The sound is wonderful, it's an enjoyable talent, and it truly lifts the soul of the artist and the audience. After a year of lessons, you will be able to play simple songs and read music. The lessons are designed for quick progression and build upon each other.

Why take this membership course? Harp lessons can cost you \$80 or more a month. That's 1000.00 a year! This membership is a one-time fee of 280.00 and you are guaranteed at least one lesson a week for 48 weeks. Go faster if you wish, but not faster than your instructor! I stay at least a month ahead of you.

Here is a list of resources you will need to help you start. Your membership page will also provide a lesson journal and other downloads used as you accomplish the video lessons. If you don't read music, no worries! You will learn the necessary theory to become a harpist. This course is recommended for teenagers and above because it requires self-discipline. Each lesson requests a task to practice.

Do you have a harp? This course will show you three harps: A Venus, a Lyon and Healy and a Vagabond lap harp. You can rent to own through Lyon and Healy (about 50.00 a month). There are many great harps out there to rent or purchase. Look for the standard concert string tension and spacing and make sure your harp has levers or pedals (you need them!).
